The Link is a Middlesbrough based professional mental health and emotional wellbeing provider. We provide therapeutic services to children, young people and families across the North East including Redcar & Cleveland, Middlesbrough, Hartlepool, Stockton on Tees and Darlington. Our services include a wide range of workshops and training, therapeutic assessments, one to one therapeutic interventions including specialist therapies and Children and Young People Improving Access to Psychological Therapies (CYP IAPT) evidence-based therapies.

Here at The Link, we recognise how important our employees are and we offer;

- Generous annual leave entitlement
- Great salaries with annual increase (subject to funding)
- Competitive pension scheme with generous employer contributions
- Additional Sick Pay scheme
- Continued professional development
- Additional length of service awards
- Access to a wellness programme including 24 hour advice and support
- Access to face to face, online and telephone counselling
- Protected caseload

We are currently recruiting 1 x Full time Trainee Senior Wellbeing Practitioner (SWP) post to start within the InsideOut MHST in January 2025.

Voluntary and community sector providers have formed a partnership to create the South Tees Mental Health Support Team, also known as The InsideOut MHST. The partnership members include.

- The Link
- Teesside Mind
- The Junction Foundation

- A Time 4 you
- ABC Counselling
- Changing Futures North East

The partnership is fully supported and working in collaboration with NHS TEVV and will work directly into schools alongside existing provision, to support mild to moderate mental health and wellbeing needs. This partnership approach will help embed a culture of openness around mental health, forge stronger links between education settings and the wider Mental Health offer in South Tees and ensure children and young people can access appropriate support and stay in education.

Candidates for this role must hold either an Education Mental Health or Children's Wellbeing Practitioner qualification (either a Post Graduate Diploma or Certificate). They also must be registered with a regulating body, maintain a registration with such body and have 2 years post qualification experience working within one of these roles.

To apply for this post, please send your CV along with your completed application form to Camilla Findlay (Executive Administrative Assistant) camilla@redcarlink.com

For further information, please contact Janine Leopard on janine@redcarlink.com

Interviews will be taking place: ***Week commencing 28th October (to be confirmed once shortlisted for interview)***
